

How to Submit Prints for SWMCCC Competitions

Number of entries

Four prints may be entered in each category. Categories are Creative, Nature, Open and Portraiture.

Printing your print

Commercially or otherwise prepared black & white or colored images are allowed in competition as well as prints made on a personal computer and printer.

Sizing your print

- All prints must be mounted on 16" x 20" or smaller mounts
- Prints may be matted but not framed

Labeling your print

- Use the Print Label Form found on the SWMCCC website
- Complete 2 Print Labels.
- Check appropriate competition category.
- Fill in your Name, print Title and Club name.
- Securely attach a completed Print Label to the upper left back of your print.
- Loosely attach the duplicate Print Label to be removed before the competition for scoring purposes.
- Label the top of your print.

Submission of prints

- Unlike Digital submissions for our competitions (which are emailed in advance of the competition) prints must be brought to the competition by a club representative or in person. The check-in time for prints will be provided with the general competition announcements. It will be your responsibility to see that your prints are picked up at the conclusion of the competition. The competition committee cannot be responsible for returning your prints unless prior arrangements are made.
- There is a \$2 cost for each print submitted. Payment must be received by midnight of the Sunday before the date of our competition through the SWMCCC PayPal account or by mailing your check made out to SWMCCC to
