

SWMCCC DIGITAL COMPETITION 2008

The new SWMCCC competition committee has been working on re-establishing competition within our organization and will be holding a “Digital Only” competition that will be judged in early to mid July. The deadline for entering the competition will be June 30 and the success of the competition will determine how we proceed in the future.

Start getting your entries together! The categories will be “**Portrait, Open and Nature**”. We have also established a 4th category, which will change for each competition. For this competition the added category will be “**Night Scenes**”

Entry and competition details will be announced soon so continue to check this site. We are also working on getting the word out to all the camera clubs.

Vice President of Competition: Randy Wegener wegphoto@charter.net
Competition committee: Kelly Walkotten, Jeanne Quillan and Jim Lynch
