

March 5, 2008

SWMCCC held their board meeting March 2, 2008, at the Twin City Camera Club with a quorum present.

Several major items were acted upon that will greatly impact the future of the organization. SWMCCC needs to evolve into something new and exciting for all its members. Some suggestions were to perhaps cut back on competitions and have more workshops/education, sponsor a student competition and award a scholarship, have on-line digital competitions.

A motion was presented and passed that would eliminate the point system from competition.

Randy Wegener will take over as Digital Images Chairperson with Kelly Walkotten, Jeanne Quillan and Jim Lynch assisting him. They will determine the date of the next competition which will be solely digital along with a format. They will give their report to the President.

A new slate of officers was presented and accepted by the board. They are as follows:
