

VENDOR PRESENTATIONS AND DISPLAYS

SUMMER WEEKEND OF PHOTOGRAPHY AND DIGITAL IMAGING

EPSON PRINTERS AND SCANNERS

Dick Callen, Epson Evangelist will be in attendance on Friday and Saturday to answer your questions on Epson printers, scanners and projectors. He will also present lectures and demonstrations on ink jet printing and will have with him Epson's latest and greatest printers, plus as always images to enjoy viewing.

HUNT'S PHOTO AND VIDEO

Gary Farber will be with us with a retail display of a large variety of items including Epson and Canon Inks, Epson Storage Devices, Nikon and Canon Digital Cameras, Memory Cards, Nikon, Canon, Sigma and Tamron Lenses, software and many other items.

ALLIED IMAGING LAB

Allied Imaging Lab is one of the nation's largest portrait and commercial photographic labs. In business since 1952 at 517 32nd St. SE, Grand Rapids, Michigan, 49548, Allied offers high quality printing of photographic images with a variety of products including traditional photo printing as well as press-printed products. Allied offers print solutions for the professional photographer as well as for the hobbyist looking for a high-quality print solution. Allied will have a display featuring their services and they can be found on the Internet at www.alliedphoto.com by phone at 616-452-3941 or 800-368-6113 or by email info@alliedphoto.com.
