

Photo Frenzy: Friday 6:30 - 9:00pm

Friday evening Hands-on Photo Frenzy is an opportunity for you to photograph while receiving help, tips, etc., from our very knowledgeable instructors. It will be held in one location (except for the Night Photo Walk). You may move from room to room throughout the evening.

When we are done, join Chris Smith from Out Of Chicago for a photo walk in beautiful downtown Holland, receiving hands on help to improve your night photography.

Creative Flower Photography w/Lens Babies - Anne Belmont **ROOM 3130**

What is the Lens Baby crazy all about? Anne will help you as you try out a lens baby while photographing flowers and see what creative things can be done.

Abstract Photography - Lisa Langell **ROOM 2130**

Need fun ideas for when it's too hot or cold to shoot outdoors? Come join the fun and create incredible modern art while you're at it! Bring your macro close-up lenses, or even your zoom and an extension tube – and take some creative abstract images right at the booth! Get ideas and view a few setups you can make at home with inexpensive, DIY materials!

Photo Frenzy: Friday 6:30 - 9:00pm

Flower Photography - Michael Kobe ROOM 1118A

Bring your macro lens and tripod and photograph beautiful flowers with Michael.

Creative Studio Lighting - Peggy Farren ROOM 1128

Professional photographer Peggy Farren will set up a themed model station for an opportunity to use creative studio lighting. The station will have the camera settings listed, so even if you are a beginner, you will enjoy this chance to use studio lighting. The lighting and modifiers will be set up for beautiful lighting. You'll have a blast photographing our themed models! All you need is a hotshoe on the top of your camera.

Water Drop Photography - Steve Gettle ROOM 1116

Steve has teamed up with Cognysis to bring us water drop photography. Try your hand at it while using the Cognysis system.

Photo Frenzy: Friday 6:30 - 9:00pm

Off Camera Flash - Steve Neilson **ROOM 1111**

Steve will show us how to photograph people using off camera flashes.

Table Top/Light Table Photography - Michael Koole **ROOM 1111B**

Table top set-ups and light tables will be available and Mike will help you with lighting for great shots.

Night Photo Walk - Chris Smith 9:30pm **Meet In Vendor Area**

We will walk together through downtown Holland, photographing the night scenes. Chris will offer hands on help and he has useful tips and techniques to improve your night time photography. A tripod is needed.
